

GET PREPARED

Our pets are an important part of our families, and it will be up to *you* to have a plan for them.

- Make sure your pets are up to date on their vaccines.
- Microchip your pet in case you get separated and make sure your contact info is up to date.
- Keep a photo of you and your pets with your important documents and on your cell phone.
- Build an emergency pet kit.
- If you must evacuate, take your pet.
- Wherever you end up sheltering, make sure it is pet friendly.
- If your pet is already microchipped, make sure the information is up to date.

Pinellas Animal Hospital

7791 52nd Street N, Pinellas Park FL 33781

DISASTER PREPAREDNESS

FOR YOU & YOUR PET

Hurricane season is from June 1st -November 30th
& we want to help you prepare

KNOW YOUR ZONE!

Knowing your evacuation zone is the first step to planning for an emergency. It helps you make decisions about the safety of yourself, your pets, and your family and make plans in advance of a storm.

Scan the QR code below to know your zone
